Martha's Grill & Bar at The Madison Hotel - Swindon

Client: Folio Hotels Ltd

Project completed: September 2007

Refurbishment of an existing hotel restaurant into a 'stand alone' destination venue. The scheme - designed in a contemporary, nautical 'New England' style - features large photo wall panels, leather fixed and loose seating, custom lighting, granite work counters and paint finished t&g panelling. Budget: c£250,000

The Brookfield Hotel - Emsworth, Hampshire

Client: Hughes Hotels Ltd

Project completed: July 2007

Complete re-design of existing hotel entrance, reception, bar and lounge areas to create stylish and sophisticated new public areas within the hotel by the use of materials such as brown cherry veneer, stone and riven glass. Budget: c£135,000

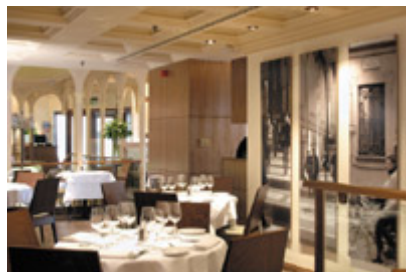

Brea Restaurant - London W1

Client: Metropolitan Restaurants, London W1

Project completed: November 2006

Milanese style restaurant in central London featuring a back lit glass fronted circular bar, walnut veneered wine display unit and custom lighting. Finishes chosen to create an understated elegance include sage green leather fixed seating, Italian furniture, dark brown floor tiles, travertine, slate and bronze. Budget: c£460,000 (site now under new ownership).

Palio Ristorante - Tunbridge Wells, Kent

Client: Mr Renzo Meda

Project completed: October 2006

Casual dining Italian restaurant, comprising a refurbished shopfront and a ground floor bar-dining area, with strip oak and limestone flooring and a large photo triptych depicting the Asti Palio horse race in northern Italy. Scheme also includes a basement kitchen and new toilet block extension. Budget: c£120,000

Esporta Health & Racquets Club - Croydon

Client: Esporta Group Ltd - Wokingham

Project completed: September 2004

Refurbishment of the existing F & B facilities at the club comprising the bar / food servery unit, dining, lounge and adjacent corridor areas. Budget: c£100,000

Smollensky's Bar-Diner - London W6

Client: The Mezzanine Group Plc, London

Project completed: March 2004
